

Oxford Health Alliance Summit

Presentation on behalf of

Jonathan Horrell, Kraft Foods UK&I

The vision

Making it work:

Key Elements

- Trust & genuine partnership
- Clear participation criteria & agreed ways of working
- Sustainability – a long term view
- Monitoring & reporting

Critical Success Factors

- **Credibility** – messaging and required behaviours determined by DH
- **Critical Mass** – a great number of participants from all four sectors
- **Consumer connection** – campaign messaging that resonates with consumers
- **Consistency** – the same messages from all sides, delivered over and over again
